

Youth Panel Advert

Do you want to join a group of motivated individuals with a passion for helping people live more sustainable lives?

Do you want to ensure a youth voice is heard in key decisions within an environmental charity?

Do you want to develop skills and meet people to help progress your career?

Global Action Plan is recruiting to its Youth Panel. Along with the wider team, our Youth Panel sees the solution to engaging people on environmental issues lies in making the connection between what is good for us and good for the planet.

The Youth Panel meets once a month to help shape Global Action Plan's programmes and activities. Their work includes:

- inputting into the direction, tone and look of Global Action Plan's work
- communicating Global Action Plan's mission by speaking at events
- encouraging action across their own networks by taking part in and supporting the promotion of Global Action Plan's campaigns.
- designing and implementing their own campaign, which emphasises the connection between what's good for people and good for the planet

Find out more about what the current Youth Panel have already achieved on [our website](#)

Please note the first meeting will be on Wednesday 6 March 2019 6-8pm.

To apply you must be:

- Aged 18-25
- Able to commit at least four hours a month
- Be able to attend monthly meetings (either in person in London or digitally)

Download our application form [here](#).

Download our equality and diversity monitoring form [here](#).

Please submit both by 5pm, Monday 4 February 2019.

We are keen to ensure that a wide variety of voices are heard. We strive for our programmes and our actions to be representative and accessible for all - and we know that is only achievable if the people behind those programmes are diverse in all sorts of ways. As a result, we strongly encourage applications from young people who identify as BAME, disabled, LGBTQIA+ or who come from a low-income household.
